P-PLATERS

# PRIVACY POLICY

---

1. The privacy of your personal information is important to Performance P-Platers and we conduct our business with the highest standards of integrity.
2. By providing your personal information to us, you agree to our collection, use and disclosure of your personal information in accordance with this Privacy Policy.
3. Performance P-Platers is committed to ensuring that the collection, retention, use and disclosure of the personal information you provide complies with all applicable legal requirements and that there is no act or practice that interferes with your privacy rights.
4. All possible steps are taken to ensure that any personal information you provide is not disclosed to or accessed by unauthorised persons and is used only for the purpose for which you have provided it.
5. Performance P-Platers will only use the personal information you provide to us for the purpose for which it was provided and directly related purposes and in the normal business operation and marketing of the goods and services offered by Performance P-Platers.
6. We will not disclose your personal information to any other third parties without your prior consent, with the exception of when we are required to disclose the information by law or to protect our rights, safety or property. When we have to send your personal information to contractors or service providers to carry out work on our behalf, or to related bodies corporate, we require these organisations to comply with this privacy policy and, in certain situations, require a confidential undertaking to protect your personal information. We will not permit others to use your information beyond what is necessary to assist us and wherever possible they will be required to provide a confidentiality undertaking to protect your personal information.
